

UofSC Schedule Planner

Authors: Gregory Elsey, Mia Dia, Colin Ducey, Ben dela Pena

Problem Statement

Hard working students need an effective and simple way to plan their schedules to improve their time management and organization.

Who is experiencing the problem?

Unorganized students at UofSC who need help managing their time.

What is the Problem?

Students of UofSC are in need of a simple and easy way of planning out their schedules

Where does the problem present itself?

At the university throughout the school year.

Why does it matter?

Students need to stay organized and have an easier time managing their time/schedule to become proficient students at UofSC.
